"Why/How should Christians educate their children?"

We have noticed; there are two reasons Christians educate their children. One is **reactionary**... parents react to the poor quality of education, influential bad peers, government control, insufficient funds, lack of moral or Biblical teaching, and misconceptions about what and how to educate their children. The second reason is **visionary**... these parents/teachers may be reacting to any of the above; but, they are moving forward with a specific purpose. Their goals may be many, such as groom their children into a certain career, sports, ministry, or talent. But according to the Bible, there is only one eternal purpose for Christians to educate their children. Jesus commanded His disciples to "Go and make disciples ... teaching them all I commanded". Disciples are students or followers of Christ. Therefore, if we are disciples of Christ, we should be good stewards and teach and train our children to be "Students Of the Word" & to "abide in Christ". The SOW Curriculum or SOW Devotional will help disciple you, as well as, your students, making it the perfect tool to follow in Jesus' foot steps. As Christians, are we going to be able to say this concerning our children...*"I have glorified You, Father, by accomplishing the task you have sent Me to do....Those You have given Me,... have received Your Word... make them one as We are one."* Jesus

Unique Characteristics of the SOW Devotional...

1. The SOW Devotional is a unique Biblical plan to know God & make disciples (students) of Christ; the Bible is the main text. It includes 5 P-R-A-Y-S letters, 8 Bible inductive (to draw out the truth) study methods, & 5 Scripture memory activities; a scope & sequence with 144 lessons from Genesis to Revelations; and 7 reproducible skill level (SL) worksheets for Beginner (K-5th SL) and Intermediate (6th-college SL), a suggested weekly schedule, and a recommended resource list (hard text & free online links).
2. The SOW Devotional is designed for all ages (kindergarten through college and special needs skill abilities). It is to be used by individuals, couples, families, schools (public, private, home, charter, missionary), churches, classes, or groups.
3. The SOW Devotional can be used anytime, but it is best to devote a certain time each day.

4. The SOW Devotional should be used at a special place, quiet and free of distractions, but it can be any place...home, church, school, park, jail, hospital, or other.
5. The SOW Devotional will teach each student how to daily pray by writing love letters to God, study the Bible from Genesis to Revelations, and memorize KSV (key Scripture verses).
6. The SOW Devotional's goal is for every person at any age to devote consistent & quality time with God, their Creator, in prayer, and meditating & memorizing His Word to intimately know & walk with Him in all life's circumstances.

*“Go and make disciples teaching them all that I commanded and lo I am with you always.”
Matthew 28:19*
